

Student LabSim Order process

Go to www.testout.com and enter Promotion Code: **13-355TA** in the Enter Promotion Code box located in the lower right corner.

- **TestOut Network Pro LabSim - \$89**
- **TestOut Linux Pro LabSim - \$89**
- **Prices will be \$102 on August 1, 2016**
- To validate the order you need to enter school name and teacher name. *(Be sure the school name matches exactly as listed below. I recommend students copy and paste the school name into our order system.)*
School Name: **Rackspace Open Cloud Academy**
Teacher Name: *(enter first and last name of any instructor)*
- No sales tax except for UT/WA residents.
- You will be emailed your LabSim activation code and instructions to access LabSim.
- LabSim content is accessed online and the best method to create an Account and Login to LabSim is from <http://www.testout.com>.
- **LabSim license is good for 18 months** from the date the LabSim course is activated by the student.
